

FISCAL NOTE

SB 2374 - HB 2393

February 12, 2002

SUMMARY OF BILL: Requires officers to issue citations for failure to provide evidence of financial responsibility.

ESTIMATED FISCAL IMPACT:

Increase State Revenues - Not Significant

Increase Local Govt. Revenues - Not Significant

Estimate assumes:

- increase in state revenues from fines collected as a result of mandating the issuance of such citations which would preclude the issuance of warning citations. This increase is estimated to be not significant based on the assumption that most law enforcement agencies are currently issuing the citations required in current law.
- clerks receive 5% commission on fines collected.
